COMEBACK CONFIRMED

The Hand Cricket League formally confirms that Ayush has returned to active competition for Season 3. His retirement was announced before Season 2, which he did not contest, but HCL management has accepted and registered his return. The Season 2 retirement notice remains part of the archive; this letter supersedes it for his playing status from Season 3 onward.

A NEW CHAPTER WITH TRS

Ayush joins The Royal Strikers alongside captain Maddy, P. Harish, and Saran Teja. He is eligible for selection throughout the Season 3 league and knockout stages. His return begins a new chapter after representing MSK in Season 1, while every earlier confirmed performance remains part of his career record.

OFFICIAL RECORD STATUS

Ayush is restored to the active HCL player register with immediate effect. All Season 3 appearances, runs, averages, centuries, and HCL rating points will follow the same confirmed-score policy applied to every player. New scorecards will be recorded under TRS.

AYUSH IS OFFICIALLY BACK.

His Season 3 return is approved, registered, and recognised across all HCL records from this notice onward.
